**Item 1.01 Entry into a Material Definitive Agreement.**

On October 6, 2020, Ur-Energy Inc. (the "Company"), through its wholly-owned subsidiary Lost Creek ISR, LLC, completed necessary documentation and approvals to amend its existing State of Wyoming, Taxable Industrial Development Revenue Bond (the "State Bond Loan"). The amendment provides for the deferral of principal payments for six quarters, while interest payments continue unchanged, resulting in an approximate savings of \$7.83 million during that eighteen-month period. The next principal and interest payment will be due in October 2022. The amendment effectively extends the maturity date of the State Bond Loan to October 2024. In all other material respects, the State Bond Loan remains unchanged.

*The foregoing description of the Second Amendment to Financing Agreement and related documents (Second Supplemental Indenture; Amended and Restated Promissory Note; and Third Amendment to Mortgage, collectively, the "Amending Documents") does not purport to be complete and is qualified in its entirety by reference to the text of the Amending Documents, which the Company plans to file as exhibits to its Annual Report on Form 10-K for the quarter ended and year ended December 31, 2020.*

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
